**Application Phase IV accepted April 20, 2009-May 19, 2009, 5:00 pm.**

**Lottery conducted 10:00 am May 20, 2009.**

**\* Additional enrollment periods and lottery schedules posted if needed**

**WHAT WE NEED TO KNOW:** The only requirement for admission to AIMS@UNM is a desire and passion for mathematics and science and a commitment to develop those skills.

**IS THIS PROGRAM RIGHT FOR YOUR CHILD?:** AIMS@UNM is a rigorous academic program designed to prepare your student for participation in a global economy and includes a dual enrollment criteria with the University of New Mexico or CNM. Middle school curriculum is designed to prepare students for advanced coursework in high school. Students enrolled at AIMS take Algebra I in 8<sup>th</sup> grade, Geometry in the 9<sup>th</sup>, Algebra II/Trig in grade 10, Pre-Calc/Calculus in grade 11, and dual enrollment advanced math during their senior year. English and History are Advanced Placement (AP). Additionally, students must take two years of "critical languages" identified as Japanese, Chinese or Arabic.

*\* Please note: AIMS@UNM does not provide transportation . Students may purchase their lunch through a participating vendor or bring lunch from home (refrigerator and microwave provided)*

Applications should be mailed, hand delivered or mailed to:
