All games must start on time. Get there 45 minutes before to set up and warm up. BHP 8 is the far east soccer field. BHP 4 is the second soccer field to the west of field 8. You need at least seven players to start. You need to supply one soccer net and bring two flags for the corners and one flag for the center line. Bring your printed roster with first and last names and numbers. If you're not ready to play at game time you will forfeit.
