ssmith@aims-unm.org

CFO Raysteel

Thomas Ray is a third-generation steel man. He worked for a few years in commercial and residential real estate, and then returned to school to pursue his MBA with a concentration in finance. After completing his degree in 2002, Thomas joined his father as a partner at Raysteel Inc. to oversee the financial side of the business. Although finance is his specialty, Thomas wears many hats including estimating, project management and quality control.

tray@aims-unm.org

Albuquerque Institute of Math and Science General Counsel

Martin Esquivel Esq.: Attorney Esquivel Law Firm

Martin is a successful solo practitioner handling complex civil matters on behalf of individuals, business and governmental entities ranging from media law, employment, civil rights, open government, law enforcement, land use and medical malpractice. He has extensive state and federal jury trial experience as lead counsel along with handling appellate matters in state and federal court.

He has been a Board Member and Board President for Albuquerque Public Schools, governing one of the largest school districts in New Mexico serving 90,000 students and 14,000 employees.

He is the General Counsel for the Albuquerque Institute for Math and Science at UNM.
