

**Albuquerque Institute for Mathematics and Science (AIMS@UNM)**  
**2022-2023**  
**Grades 6<sup>th</sup> – 12<sup>th</sup>**

---

**ADMISSIONS:** AIMS@UNM is a New Mexico Public Education Department (NMPED) Charter High School, and conforms to NMPED regulations with respect to admissions procedures for charter schools. There is no tuition charge to attend. When number of applicants exceeds available space, admission to AIMS@UNM will be granted through a **LOTTERY PROCESS**. **All available spaces are included in the lottery. Current Lottery periods are listed below. Phase I is for 6<sup>th</sup> grade applicants only. Phase II will be for all grades available.** Phase III and IV are tentative dates, will be inclusive of additional grades should space become available, and will be conducted only if space is available. Applications for the next school year are available November 1<sup>st</sup>.

<b>Lottery Phase</b>	<b>Applications Accepted</b>	<b>Lottery Date</b>
Phase 1 – 6 <sup>th</sup> Grade Only	11/01/21 – 11/19/21 by 1:00 pm	12/03/21 10:00 am
Phase 2 – All Grades	11/29/21 – 12/17/21 by 10:00 am	01/14/22 10:00 am
Phase 3 – All Grades	01/19/22 – 03/09/22 by 12:00 pm	03/11/22 10:00 am
Phase 4 – All Grades	03/23/22 – 05/02/22 by 12:00 pm	05/06/22 10:00 am

**WHAT WE NEED TO KNOW:** The only requirement for admission to AIMS@UNM is a desire and passion for mathematics and science and a commitment to develop those skills.

**IS THIS PROGRAM RIGHT FOR YOUR CHILD?** AIMS@UNM is a rigorous academic program designed to prepare your student for participation in a global economy and includes a dual enrollment criteria with the University of New Mexico or CNM. Middle school curriculum is designed to prepare students for advanced coursework in high school. Students enrolled at AIMS take Algebra I in 8<sup>th</sup> grade, Geometry in the 9<sup>th</sup>, Algebra II/Trig in grade 10, Calculus in grade 11, and dual enrollment advanced math during their senior year. English and History are Advanced Placement (AP). 6<sup>th</sup>, 7<sup>th</sup> & 9<sup>th</sup> grade students will participate in a physical education program made up of Karate and physical fitness activities. Additionally, students must take two years of “critical languages” identified as Japanese or Chinese.

*\* Please note: AIMS@UNM does not provide transportation. Students may purchase their lunch through a participating vendor or bring lunch from home (refrigerator and microwave provided)*

Applications should be hand delivered or mailed to:
